

Baby Dedications

Baby dedications at Sevier Heights give you, as parents, the opportunity to thank God for your child and to publicly declare that you intend to raise your child in a Christian home. Not only are you dedicating your child to God, you're also dedicating yourselves, as parents, to Christ and the church.

Baby dedications occur four times per year (January, April, July and October) during our 9:30 and 11:00 a.m. services.

Guidelines

Before participating in a baby dedication service, we ask that parents meet the following guidelines:

1. **Attend our Parent/Baby Dedication 101 Class:** It's a one-hour class in which we'll share biblical principles to help prepare you for the journey of parenthood. The class is offered eight times per year. (Parents are only required to attend one, one-hour session.)
2. **Membership at Sevier Heights:** To join Sevier Heights, you must (1) be a follower of Jesus Christ, (2) have been baptized by immersion, (3) attend Sevier Heights 101, (4) come forward during a public invitation to declare that you want to become a member.
