

March

This month in Quest we will be learning about Peace. We've defined it as proving you care more about each other than winning an argument.

Below is a list of our memory verse, bible passages, and the weekly bottom lines that we'll be discovering this month. As we have been working through our new Bible study method, SOAP, we have seen kids engage with scripture on a deeper level than before. We want to encourage you to try incorporate this Bible study method at home during your normal routine with your kids!

MEMORY VERSE:

Let us therefore make every effort to do what leads to peace and to mutual edification
Romans 14:19 (NIV)

March 7: **Prove you care more about others by giving up "Whats fair".**

We learned today that we tend to get upset or angry when we think things aren't fair. We looked at the example of Jesus laid out in Philippians 2; that even though Jesus was fully God, he did not strive for equality with God, but humbled himself for the sake of others. Ask this together: Why is it so hard to give up "whats fair"?

March 14: **Spring Break Extravaganza**

Be sure to wear comfortable clothes and closed-toed shoes!

March 21: **Prove you care more about others by being part of the solution.**

Today we looked at Nehemiah 5, where Nehemiah decided to stop what he was doing and help mediate a big conflict. What are some ways we can be apart of the solution when conflict arises?

March 28: **We can make peace with others because God made peace with us.**

Finally we look at Romans 12:17-18: in this passage Paul instructs us that as far as it depends on us, we should live at peace with others because God has made peace with us. Sometimes others won't want to pursue peace, but we can work hard on our end to live conflict free!
