ENJOY THE HOLIDAY SEASON AND ALL IT HAS TO OFFER BY LEANING INTO FAMILY TIME. THESE ACTIVITIES ENCOURAGE YOU TO "GO AND DO". WHETHER AT HOME OR IN YOUR NEIGHBORHOOD, LET'S SPREAD THE JOY OF CHRISTMAS!

1.

Press "pause" on your busy schedule and go as a family in search of Christmas Lights. In the car, press "play" on some Christmas music! Think about how Jesus' birth is a gift that brings light into the world, much like how the Christmas lights shine bright in the darkness. Play Christmas music or check out the "KidHeights Christmas" playlist on Spotify for some great jams!

2.

Just as God gave us the gift of His Son, Jesus, let's reflect this love to those in our city! Leave bagged Christmas snacks and drinks at your doorstep for those making deliveries this season. Make a festive sign together to say, "Thank you!".

3.

Let's take a moment to celebrate the birth of Jesus! Before bed - put on your pajamas, gather up some blankets and a flashlight, turn off the lights, and sit together in front of your Christmas tree.

Read aloud **Luke 1:26-2:21**. For extra fun, you could try using characters from a Nativity scene to act out the Christmas story.
